MESSAGE FROM THE DESK OF REGISTRAR

Un-Employment is the major problem of in India very qualified and highly experienced persons wandering here and their for employment. A large no of multinational companies given the opportunity to Indian Un- Employed educationd youths but not paying salary as per the qualification and their experience even not given the employment assurance in future. Any time they should be kicked out without any notice 2nd point of the Un-Employment is the lack of knowledge to choose the Field of education. The Mentality of the 80% Un-employed education. youths is to get the job in Govt. Service , so with the frustration may Un-employed choose the fatal ends of falls in criminal activities. To control this critical problem and to promote the para medical science council decided to run different Para Medical Courses. Para Medical are the back bone of Medical Treatment. This sector have great opportunities to set up under self -employment for every un-employed after competiton of Secondary School Examinations. Thousands of students of the council living better than the Govt. employees and running their own medical labs, Dental labs, Optical Centers, Physiotherapy Centres X-Ray & E.C.G centres and providing First-Aid in field of Ayurvedic, Homoeopathy, Essential Drugs. At least I want to say this is the right choice for Un-employed youths or fresher's to get the respectfully business opportunities. Specially you have to choice to Choose the Para Medical field as per your interested line.

Dr. M.S. Gill
Registrar
